FALL IS COMING!

We have scheduled Flu Shots with the Visiting Nurses at HHR-

To take place on

Friday, October 30th.

1:00-3:00 pm

You may sign up in the

Clubhouse-

Cost is again \$30.

They will accept cash, check or some insurance plans.

These pictures are a sample of the fun time had by all at the Good Times 2009 Luau. Attendance was great, food was fantastic and we were treated to the music of Charlie Mann-All at the right price! Everyone was extremely helpful with the setting up before and the cleaning up after-makes it well worth the effort.

WE ARE MOST GRATEFUL TO THE GOOD TIMES COMMITTEE FOR PLANNING THIS FUN EVENT!

A NOTE FROM OUR LIBRARIAN...OCTOBER 2009

Hello Heritage Readers! Have you seen our library lately? We have a very appealing new children's area for our small grandchildren to be enticed to sit and read. A new, very unique bookshelf was generously donated by Stephanie Hempel and Pat Goddard! The majority of books were donated by Stephanie's daughter, Jennifer Hubert. They belonged to Stephanie's darling grandson Evan, so there are a lot geared towards boys. The books are from toddler age through beginning readers.

It is just so heartwarming seeing the arrangement, and the grandchildren will love it too. I was in luck the other day as I got to witness Steve Struble's cute little 4 year old granddaughter checking it out. She smiled, and then sat right down and started flipping through the books until she found one to choose. It was a Dr. Seuss. Smart girl, good choice. The idea is to let our HHR grandchildren take out a few books to enjoy, and then of course, like the good citizens we are, we must make sure they return them. It should work just like our adult book honor system. If you have any children's books to donate to our book shelf for all to enjoy, please do. Thank you again Pat, Stephanie, Jennifer and Evan for getting us started in this welcome new addition.

A program I just learned about from our terrific St. Charles City-County Library system sounds like something we each may need to use at some point. Called **Books to You**, the program has volunteers bring books to folks that are not able to drive to the library. Call the Deer Run Branch at (636)978.3261 to volunteer to provide or to receive homebound service.

Pat Goddard had a very successful book club meeting at her home. I guess those of us who didn't read the book should think about it still as it was well received and a good discussion. The book was "The House at Riverton" by Kate Morton. Next book club meeting and book is to be announced and will be hosted by Stephanie Hempel.

Remember the fun book club meeting at Sharon Huston's? Her friend, John Lutz was there to discuss his newest book and career as an author. Well, he is appearing at Left Bank Books on Tuesday October 6th to talk about his coming soon book called "Urge to Kill". It features his veteran homicide detective Frank Quinn in a new page turner and sounds deliciously gruesome.

Happy Heritage Reading...Shirley Kruse
