****THE ONE AND ONLY TOM KELLY****

He reaches the high notes of Pavarotti-

The low notes of Johnny Cash.

He boasts a song list of over 5000 and makes for a memorable evening!

It was a howling good time at the Halloween Party. Over one hundred people attended. Charlie Mann performed all of our favorite songs and it was the first appearance of the marvelous Manettes. Many thanks to the Costume Contest judges: Cheryl Hunt, Joyce Nesbitt, and Doris Joice. Most Original Costume award was presented to Fred and Betty McGavran. The Best Couple award was won by Al and JoAnne Bronstein, and the Best Individual award was presented to Sal Musco. Congratulations to Les Allen for his amazing analytical skills in winning the candy corn contest. Barry Bingham read us a scary story, entitled "Heritage of Haunted Ridge," accompanied by frightening sounds from the audience. There were several line dances and a rambunctious game of "Pass the Pumpkin." Mary Ann Bingham extends her heartfelt thanks to her committee: JoAnne Bronstein, Shirley Kruse, Ellen O'Coin, Joe O'Coin, and Charlie Ruhmann, as well as to the members of the Good Times Committee and other residents who helped with the enormous jobs of set up and clean up. Pictures can be seen on our HHR Lifestyle.org site (click on "Just Posted!") and prints can be ordered from a Shutterfly site that has been set up.

Scouting for Food

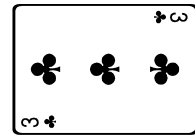

The Greater St. Louis Area Boy Scouts of America 2009 Scouting for Food Campaign was a huge success. Over 2 million cans of food were collected making it another successful campaign. Our HHR residents once again demonstrated their generosity by donating approximately 1000 cans of food. Adult Leaders and Scouts from the Boone Trails District placed the collection bags on November 14, 2009 then returned on November 21, 2009 and collected the filled bags. Thanks again for your very generous giving and I'm sure we can expect to support this great event next year.
