## DIRECTOR'S CORNER

Well I do believe that spring is in the air and we will all be glad to say goodbye to snow and chilly temperatures!

Walters Golf Management will be opening the Pro Shop this month and the grounds crew will follow shortly to get the course in top shape. We have also awarded a contract to have our bocce ball courts improved and added another bike and elliptical to the exercise room.

The replacement of flooring in the kitchen and craft rooms should begin shortly and two flood lights will be added to the front of the clubhouse.

We have several great events this month, starting with the traditional St. Patrick's Day corned beef and cabbage dinner, which will be followed up with an appearance by Elvis and the dance. The Good Times Committee has planned a night of fun and camaraderie for the HHR men at the end of the month and there will be a Ladies Night in early April. But most importantly, we are adding a second session of Kitchen Creations, so grab the flyer and sign up today!

Thank you to all of you who donated to get me out of jail; I was able to raise about \$750 towards sending a child to summer camp. I also appreciate the kind words from everyone regarding my mother, it has been truly heart warming to have your support!

*Renee*

# The Fun Of It All!

The fabulous HHR “Mannettes” were in rare form last Saturday night at Senior Teentown. They played to a crowd of 80 plus fans. Pictured from left to right: Barbara Hunt, Monte Kay Johnson, Ann Allard, and Linda King. (not pictured is Steph Hempel, choreographer, who was away crusin’) Great fun was had by one and all!

## Kipper Bingo!

Congratulations to the Kipper family who dominated Bingo last month. Rose won the cover all and Rick and Vicki also got in on the action as the family swept all four games!

Kitchen Creations, led by Joyce Robinson, is one of the most popular classes at HHR. But did you know that it is the bartending skills of Tim McCullen that keeps these ladies happy in the kitchen!
