2016 Memorial Day Golf Event

Rules of Play

1. Two Person Teams

Consisting of any two players (Male or Female).

2. Nine Holes of Golf Using Shotgun Start

Starting holes will be assigned the day of our event.

3. Shamble Format

Team members tee-off and the best ball of the two drives is selected. Both players play their next shot from this best ball location. From this point, the hole is played out at stroke play, with each individual playing their own ball into the hole. The total from both players (including the drive) equals team score. Continue this format for all remaining holes.

4. Memorial Day Trivia

Three questions will be given to each team prior to start of golf event; each correct answer will result in a one stroke reduction at end of event (*No cell phones allowed*).
