12:30 pm

Where: Poolside

Who: Friends & Family are welcome.
Kids can enjoy the pool from 12:30-2

Free – Please register at the clubhouse by
Aug 16 so we have enough
glasses & snacks.

Details – Eclipse glasses, music, snacks
and lemonade provided.

Timing:

The moon's shadow will be entering northwest Missouri at 1:06 p.m. (CST) and crossing into Illinois approximately 13 minutes later.

The partial phase will begin in the late morning at 11:52am. Totality will last from 1:16-1:19pm. The eclipse will end at 2:44pm.

What's the big deal?

- The last time a total solar eclipse occurred in the greater St. Louis area was 1442.
- St. Louisans can expect the next one in 2505. (So, if you miss this one ...)
