

HHR TENNIS- MIXED DOUBLES

The HHR tennis league is composed of HHR residents of all skill levels, interested in playing mixed doubles throughout the spring and summer months.

The league play typically begins about mid-May and runs through September on Tuesday, Thursday & Saturday mornings from 8:30-11:30 AM. Tuesdays & Thursdays are devoted to 4 member team play and Saturdays to open play.

In some of the past years there has also been Monday evening team play, which could be organized again if enough players are interested.

Weather permitting, unorganized open team play may begin in April and continue in October on the same days of the week. If you want to get started early to sharpen or renew those new/old skills, send me your name & email address so I can include you in our organized times in April-early May.
