FLYNN'S CORNER

So, how is everyone enjoying this psychotic weather we have been having?? I wish the "polar vortex" would just stay in Canada where it belongs!

Ballots are out and I hope everyone will take some time and vote for three individuals to be Advisors for the HOA. We have a great list of candidates and it is good to see so many interested in volunteering to represent the community.

We have quite a few events going on this month, so be sure to review your calendar and sign up to get in on the fun.

*See you at the clubhouse,
Renee*

Resident Spotlight

Ruth Ann Bosse

HHR resident, business woman (MBA), mother (six children), grandmother (nine grandchildren & two great grandchildren), sister (six surviving siblings), cancer survivor, bridge player, world traveler, book lover, theater goer. Ruth Ann and her mother moved to HHR in 2005; her mother has since passed away; her youngest son, Jeff, now lives with her.

Each of Ruth Ann's roles is a story in itself. She has had and continues to have exciting roles- I don't know where to begin. The most special of course is as a mother. Five of her six children and seven grandchildren live in the St Louis area.

Ruth Ann's current role with Sodexo, her employer of 30 years, is working with their retail locations that accept credit cards to ensure that data are secure. Sodexo is a global company that specializes in quality of life services for such clients such as hospitals, corporations, the military, schools, colleges, and universities. For many years as an employee of Sodexo she worked as Food Service Manager, Catering Manager, Office Manager, and Controller at Washington University. She moved to the IT team in 1999. In preparation for the upcoming millennium, Ruth Ann travelled throughout the US working on Y2K issues. She has trained users on company software applications such as Labor Management, email and accounting systems. She has been able to home office for the last 15 years. Ruth Ann looks forward to retirement and participating in more activities here.

An exciting international trip in January will be to Cambodia for the wedding of her son, Jeff, to Kanha Soy. Last February Jeff and Ruth Ann went to Cambodia to meet Kanha's family. In addition to his mother, Jeff will have his sister and an aunt accompany him to Cambodia for his wedding. Jeff and Kanha will live with Ruth Ann while they decide their future. We welcome Kanha to America and HHR.

In conclusion I want to tell you about how Ruth Ann and her six siblings keep in touch from their homes across the US. They have a weekly Saturday morning conference call which they try to limit to one hour.
