

**Sunday, May 7 1-3pm**

**Residents will be selling their homemade items. Come on up, bring your friends and see some of the crafty talents of our residents.**

**Grab some great Mother's Day gifts. If you don't feel like shopping, just come and mix and mingle.**

**Resident's interested in selling your items:** This will be different than the Fall Vendor Fair. Just HHR residents are invited to sell. You can set up in the ball room anytime on Sunday morning. The round tables are available for you to use or you can bring your own. Sign up on the bulletin board if you would like to see your items.
