

Thursday, September 21 6pm

What is Dinner for Eight? A **CASUAL** dinner at an HHR residents home. You can be a host or you can attend as a guest. Some hosts may provide everything, while others may ask you to bring a side or something to share.

How does it work? You register as either a host or a guest. Maggie will email the host the list of those who will be at his/her home. The host will then coordinate the meal with the guests. Then you just show up and enjoy a nice evening of fun and friendship.

Other details:

- Couples will be assigned together.
- Maggie randomly assigns the guests to the host houses.
- Special diets need to be worked out directly with the host.
