

Please join us for
a special blood
drive dedicated
in honor of

BOB ROMANIN

Sponsored by the HHR Care and Concern Committee

American Red Cross Blood Drive

**Thursday April 5, 2018
9AM – 1PM**

At the HHR Club House

Because of your past blood donations, the transfusions that Bob Romanin received helped in the research efforts for a cure of his rare blood disease – Myelofibrosis.

Like Bob, many require blood transfusions on a regular basis but there is a shortage of donated blood in our community.

If you would like to participate, please contact Linda Scroggin at 636-561-2214 to schedule an appointment.

For questions on eligibility requirements or the blood-donation process, call 1-866-236-3276.

You must bring a valid photo ID on the day of the blood drive.
