

Routes for the Triathlon

Swimmers will start in the pool (not diving in) swim to one end of the pool and back = 1 lap

Some people are having trouble finding a walker, a biker and a swimmer for their team. All you need is 3 people. The 3 events you choose to do are up to you. It's all for fun – we will work with you!

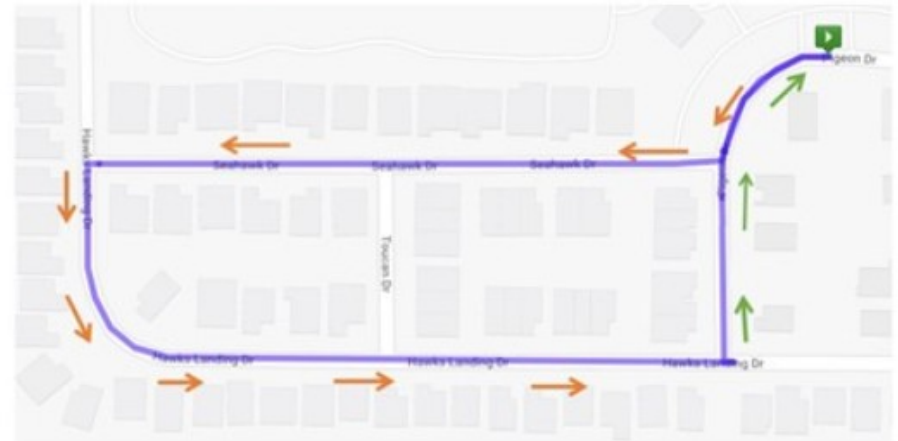

See Maggie or Kathleen with any questions.

Walk/Run Route

.5 Miles
