Lake St. Louis, MO 63367**

Candidates' Resumes

Linda Bird – 660 Falconcrest Drive

I have been a resident of HHR for 12 years and have served as Chairperson of the Golf Committee, the Progressive Dinner Committee and as President of the Lady Hawkes. In the past I have run countless organizations, managed Galen's animal hospital for 30 years and taught elementary school for a few years. Galen & I ran a successful nationwide guardrail campaign for 10 years getting the guardrails changed after our daughter's tragic death.

Having served as an Advisor for the past 3 years I have found it very rewarding as well as challenging at times. This is a very important time as we will be transitioning to our own resident board as soon as the last property is sold. I feel I could be of great value with the knowledge I have acquired to make the transition as smooth as possible. Our current Advisory Board has been given much responsibility by our Lombardo Board. This position takes countless hours of meetings, phone calls, emails, texts, etc. Since we don't travel very often I am available at a moment's notice. HHR is truly our family and I work very hard to help make it a great place to live.

Judy Buckmeier – 328 Myna Drive

I am very new to the community, moved in Aug. 6, 2018. I must say I don't have a business degree or ever lead any big financial committees, etc. I have always been involved in our church and have served on many boards. I love life and people. I very much care about how my home looks and what it contributes to the look of the community. I think rules apply to all and they should be followed and be fair to all residents. We are all equals and deserve to have our opinions and ideas heard. I want the best for HHR and look forward to serving. I will always try to be available and approachable and will work to get things done. I want to help make decisions that will contribute to making our community the best it can be, in fairness to all.

Rick Lester – 732 Harrier Court

I have just completed 38 years of providing dental services and I have just retired. I now have the time, desire and experience to work on continuing to improve Heritage of Hawk Ridge. I have served on two HOA boards with the role of president, Hazelwood School District board and St. Louis Dental Society board. I had a landscaping and lawn cutting service for five years at Lockhaven Condominium Association and worked for years on road services and in the asphalt paving business. With all the experience I have, I can work and provide quality services for some of HHR's new challenges as we move forward.

Lloyd (Bud) Campbell – 2036 Hawks Landing Drive

Lloyd V. “Bud” Campbell is a native St. Louisan, born on the city’s south side. A Southwest High graduate, he studied Mechanical Engineering at Missouri School of Mines and Metallurgy. He received business degrees from SLU and UMSL. He assisted in forming the UMSL Alumni Assoc. He served on the Board of Directors for that organization and helped establish its policies, procedures and traditions that still exist. His 45 year business career was spent primarily in the metals fabrication industry. Highlights include: sales and management throughout the Midwest and Southeast. He has supervised staffs numbering close to 75. Bud has been a resident of HHR since 2006 and has participated in a variety of activities. He is eager to give back to the community that has been such a wonderful place to live and has been so kind. He is a fully retired widower, and only resides in HHR, so Bud is available whenever needed. It is his desire to see that HHR remains the wonderful place it is today and that the needs of the residents are being met.

Tom Zensen – 511 Owl’s Perch Drive

Tom has 35 years of experience in property management as a Certified Property Manager and 7 years of experience in Community Association Management in Florida. Tom has also been a general partner at a local golf course for the last 17 years and has his Florida real estate broker’s license. He is looking forward to contributing his knowledge and experience. If elected, he would work for all residents, to maintain and improve our community. He is willing to dedicate whatever time is necessary to fulfill the position and responsibilities of an Advisor.
