

Hawk Ridge Putterings

Volume 13, Issue 9

September 2014

FLYNN'S CORNER

It seems the summer has just flown by, especially this past month of August! I am hopeful we will get to enjoy a very colorful fall!

I have a few musical guests this month, plus a stand up comedian. Mark was here before and is returning again to do his adult comedy routine. Please be sure to sign up, as knowing attendance and seating needs is more of an issue now as we continue to grow.

There are also some great "phase events" for this month, so be sure to join in on the fun; if you are not sure what phase you live in, just stop by the office and we will be happy to help.

If the rain stays away, road repairs should start shortly!! Good -bye potholes! Please be careful driving , remember to slow down in the work areas and keep your cars in the driveway if possible.

See you at the clubhouse,

Renee

Resident Spotlight

Frank & Marcia Sturm

and Heidi (the smartest dog ever)

Welcome them to Heritage Hawk Ridge.

Despite their move here from Florida in the middle of a December (2013) Missouri snow storm they love it here. They love the change of seasons, the rolling hills, and most of all the friendly people. The Midwest is famous for the friendliness of their people, especially here at HHR.

Marcia and Frank met at Illinois Wesleyan University in Bloomington, Illinois where they both majored in music, Frank on trumpet and Marcia on piano. They played in the same band in college. After marriage they moved to Peoria where Frank obtained his masters degree in music education from Bradley University. After eight years teaching band in junior high in Peoria, they moved to Iowa where Frank taught for 30 years. Marcia chose to give private piano lessons in her home. Teaching in her home allowed her to become a stay at home Mom for their two sons.

When they retired they moved to Summerfield, Florida which is south of Ocala and north of the Villages. During their 12 years in Florida Marcia and Frank golfed, played bridge, and focused on their hobbies and volunteer activities.

Frank loves restoring antique cars; he had seven antique cars, but he could only transport two to Saint Louis, a 1958 white Chevrolet convertible and a 1968 white Camaro convertible. He has managed to collect six trumpets. He still plays the trumpet. He also plays ping pong on Monday and Friday mornings and social bridge.

Marcia worked with the Humane Society for fourteen years as a Board Member and as Director of Education. She visited many pre-schools, elementary schools and private schools with a puppy and a kitten. In the classrooms she taught children to respect animals and know about the joy of their unconditional love. Marcia has also had many successes taking puppies and kittens to nursing homes where residents looked forward to her visits

Marcia and Frank had two sons. One died of a brain tumor when he was 31; the other son is married with four children and lives in Chesterfield. One granddaughter has a doctorate in pharmacy; the other granddaughter is a candidate for a doctorate in physical therapy. One grandson is in junior high and the other in high school.

We welcome you to HHR. We are glad you chose us. You bring wonderful hobbies and an excitement and enthusiasm for all the HHR activities.
