

The Care & Concern Club would like to invite you to share in the Celebration of Life for our dear friend,  
**Veta Cairns.**

**Saturday, October 29**

10:45 am - Meet at the Pro Shop

11 am – Veta’s family will be joining us for the day. We will take one of Veta’s favorite walks from the Pro Shop to the beautiful bridge. At the bridge, we will release burgundy balloons in Veta’s honor. If you do not want to walk or bike ride to the bridge, you can meet us there and park your car or golf cart along the road. After the balloon release we will return to the clubhouse for lunch.

The entrée is provided by the Care & Concern Club. If you plan to attend the celebration, please sign up at the Clubhouse. You can also sign up to bring a veggie, salad or dessert to share. We will also need help cleaning up after the celebration.

In lieu of flowers, we are going to be collecting donations to go towards an everlasting bench or swing for HHR in Veta’s honor.
