

# Photography Class #1

Thursday, September 20 2-5pm

OR Friday, October 5 from 6-9pm

Sign up on the bulletin board

Thanks to resident, Bernie Spaunhorst for donating his time and talent to offer four photography classes to HHR residents. The classes will be free. We will sign up for each class separately.

Class #1 is now open for registration.

**Class #1 is being offered at two different times. Choose one or the other. The class will be suitable for cell phone, point-and-shoot, and DSLR camera users.**

**This class will primarily be about photo composition: things you can control without ever having to change any camera settings. Things like paying attention to lighting and background, the rule of thirds, balancing elements, leading lines, symmetry & patterns etc.**

The next 3 classes are now open for registration. Look on the bulletin board. The sign up sheets are underneath each other.

**Class #2 - October 24, 2-5pm** Will cover ways to organize, file, store, print and backup photos. In addition, photo editing, photo cropping, and photo enhancement will be discussed along with examples of photo editing software and photo sharing sites.

**Class #3 – November 7, 2-5pm** Will be specifically about using the manual settings on a DSLR camera. Discussed and demonstrated will be concepts related to shutter speed, aperture priority, white balance, ISO settings, depth of field, exposure compensation etc.

**Class # 4 – November 28 2-5pm** Will be a demonstration and instruction on how to create a customized Photobook from your personal photos.
