

SPRINGTIME STROLL

Saturday, April 20
10am Meet at the Clubhouse

Let's get out and shake off those winter cobwebs.

We will begin with some warm up and light stretching before we head out for the walk.

You can choose between the 1 and 3 mile route. Walk at your own pace with some fun loving neighbors.

After your walk, enjoy light snacks back at the clubhouse.

Free, but please sign up on the bulletin board so we know how many to expect.
