

Monday, March 23 thru Wednesday, March 25

Let's Play A Game!

Beginning Monday at 8am, all HHR resident's are invited to join the HHR Corona SAFARI.

Search through the neighborhood – on foot, golf cart or car. Look at the front windows of the homes/buildings throughout the neighborhood. There are orange papers with various animals. The animals are ONLY in the front windows.

You are trying to find all of the animals listed. To confirm that you have spotted the animal, write down the address where you found the animal.

The first 5 people to **EMAIL** Maggie with the correctly finished Safari win a prize. Finished safari's have found all of the animals and correctly listed all of the addresses of the animals.

Send your submissions to events@heritageofhawkridge.com

You can use the attached Safari form, or simply type it out in your email.

Special thanks to Mari Moody for this great idea.
