Dear Residents:

On behalf of the Board of Directors for Heritage of Hawk Ridge Community, please accept the following as a reminder of the rules governing pool use:

Children are allowed according to the following schedule:

- Tuesday Noon – 5:00 pm
- Thursday Noon – 8:00 pm
- Sunday and Holidays 10:00 am – 4:00 pm

**The hours for children have changed a little this year and are subject to revision. We are still aiming to allow for a variety of times and days.** Again we want to remind everyone that HHR is a 55 plus community and now has over 400 homes. Pool hours for children are designed to allow residents to enjoy some time at the pool without children present. We are also trying to accommodate planned pool activities. Please follow the assigned hours above.

**REVISED: If a household is bringing more than 4 guests to the pool, please call the office in advance to get special approval. We will track the requests so that we do not over crowd the pool. If we have reached our limit on a particular day or time the request for extra guests may be denied.**

Residents (owner(s) of the property) **MUST** accompany their guests at all times. If children are disruptive, they may be asked to leave. Adult children must be accompanied by the resident as well.

Please use common courtesy – no splashing.

Squirt guns and large floatation devices (larger than a single person raft) are not allowed. Float rings are allowed.

Umbrellas must be lowered when you leave – failure to do so makes them susceptible to weather and storm damage.

No pets or smoking at the pool.

Please review these rules and discuss them with your guests.

Thank you for your cooperation.

Sincerely,

Kelly Cobelens – Property Manager
