Kelly's Corner – September 2020

Please watch your emails in the next weeks for important updates on the Lombardo Board turn over to the HHR HOA. We are working with an attorney to make the transition smooth and to keep all residents informed. I am happy to announce that we have extended the pool season this year. The last day the pool will be open is Sunday Oct. 18th. Maggie has some super fun and unique activities planned for this fall. I hope everyone stays safe and healthy and enjoying life at HHR. We are approaching the election. Please remember political signs are permitted on a lot no more than 60 days prior to an election and shall be removed within two days following such election. As a reminder, there is now a receptionist on duty in the clubhouse office MWF from 9 am to 1 pm for office needs or borrowing DVDs.

Resident Spotlight

Alice Malzahn

Alice was born after the Great Depression and, since her parents felt they could not afford to keep her, they put her up for adoption. It was only after her adoptive mother passed away that Alice was given a purse with all her adoption papers. Upon checking them out she learned that her father and mother were still married and she had one brother and four sisters who never knew she existed. What a surprise to them!

Alice married her high school sweetheart, Wayne, a loving Christian, who played football as a tackle at the University of Colorado. They started dating at 15 and married at 20. They were married for 56 years before he died. They have three children, 10 grandchildren and 2 great-grandchildren. Alice and Wayne worked with youth groups, did weekends for Christian Marriage Ministry and were Sunday School teachers, involved with Bible Study Fellowship and went on several mission trips overseas.

Alice worked for Jackman's Fabrics for 17 years, making several trips to New York to buy fabric and was General Manager for three stores. She worked for Precious Moments Chapel as Sam Butcher's assistant and planned events there. In Centralia, she helped start Community Bible Study and worked for Coldwell Banker. Today she belongs to First Baptist Church in Lake St. Louis and will be leading a study in Spiritual Gifts this fall. She has traveled to Europe, South America, Central America, Canada, Iceland, Israel and more than 60 countries.

At HHR Alice plays bridge, bocci ball, belongs to a hiking club, line dances, does chair and dance aerobics, plays Mexican train, bridge, hand and foot and started a gourmet club. She is currently event coordinator for Out and About and helps with the Christmas Tea.

Alice admits that none of us "signed up" for this pandemic but we can either crash or rebuild. Anyone can see what it will be for Alice. She is a survivor.

Homemade by HHR Residents

We are NOT having the Craft & Vendor Fair this, but there is a still a way for the creative folks of HHR to sell your goods.

Here is the plan: From 9/21-9/30, residents will be able to pre-order items during office hours. Sellers will deliver purchased items the week of November 9.

Residents wanting to sell their items in the sale, should complete the registration form on-line or at the clubhouse, email it to Maggie (events@heritageofhawkridge.com) or drop off the **registration form at the office no later than 9/13.**

Many residents in HHR participate in the Rapid Access program provided by the St. Charles County Ambulance District. See the flyer on our website or bulletin board to learn more about the program. SCCAD is sending a representative to HHR to help residents sign up for the program.

DATE: Thursday, September 17 **TIME: 2-3pm**

To allow for social distancing, we are having residents sign up for 10 minute appointments. **Please sign up on the bulletin board. Or just call the office and we can get you signed up.**

News from Care and Concern Committee!

As many of you know, the Care and Concern Committee has hosted “A Cup of Christmas Tea” for 17 years as our annual fundraiser. Due to the current limits on event size, we sadly will **not** be able to have our Tea this December.

Hopefully this beautiful tradition can return next year!

Through the efforts of the Sunshine and Casserole sub-committees, CCC has been providing greeting cards, gifts and/or food to our neighbors who are ill or experience a family emergency such as death of a spouse.

We need your help to make sure that we do not miss anyone. If you know of anyone that you feel would benefit, please let us know by phone, email or text as follows:

Nancy Doerer ndoerer@charter.net 314-265-5748

Debbie Hoel debbiehoel@mail.com 636-699-5238

CCC membership is open to all residents. If you have a heart to serve and would like to be part of CCC or Sunshine, please contact the ladies listed above.

Advisor Report

August 4 & 25, 2020

All Advisors were in attendance at the meeting on the 4th and John Shaal was unable to attend on the 25th. Doug Nance, the chairman of our Board of Directors attended on the 25th.

The monthly financial report was approved by email and has been posted on the HHRlifestyle.org website.

The removal of dead trees due to ash bore disease will be removed the week of Aug. 31st.

Tammy has already removed some of the smaller ones.

The sign company will be looking at 4 stop signs that are blocked from view due to owners' trees. If the tree can't be trimmed to allow visibility a move of the sign will be considered.

Insulation of the Pro Shop ceiling will occur in October.

Kelly is receiving bids on the necessary work on the outside of the Pro Shop building.

The problem with a clogged sewer behind a home on Myna will be addressed by the daycare bordering the property.

The retention pond fountain will again be fixed this week.

The annual Wentzville fire inspection of the clubhouse/Pro Shop were completed on July 2nd.

Estimates will be received on the necessary street repair for next year.

There was lengthy discussion on items to be included in the 2021 Budget. This has to be finalized by November.

The handicap ramp in the parking lot has been painted.

Thank you to Tim McCullen for repairing the landscape lighting at the entrance and to Trish McCullen for the flowers in the pots near the entrance.

The HHRlifestyle directory problems have been solved. It was definitely not Larian's fault. He spent countless hours on the phone with the server getting the problem solved.

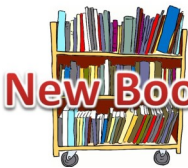

Lombardo Homes will be giving us a \$15,000 check to help with the lake dredging cost.

The next meeting will be September 15th at 9:30.

BLOSSOMS

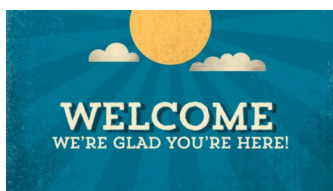

A gardening column by Ann Chandonnet

A few summer recommendations for your landscaping:

- 1) If we have several days of rain in a row, shut off your irrigation system. This will prevent your lawn from getting mushy.
- 2) The gorgeous "mop heads" of white hydrangeas tend to soak up water like sponges. They will take some time to dry out, and meanwhile the branching system is becoming bent. To avoid this problem, find a grandchild who still thinks a dollar bill is a treasure and have the heads gently shaken out, one by one.
- 3) High winds took down sections of several large trees in the subdivision. Baby your tree. No longer is it considered necessary to paint hot tar on the raw wood. But weed a circle 6-feet across around the tree. Then pour on a bag of mulch. Remember to water this damaged tree during dry spells in winter, and it should be fine next year. Next April, be sure to give the damaged tree several fertilizer stakes. (These can be found at Lowe's.)
- 4) If your yard has broken tree branches that need to be removed, leave a little "collar" where the branch meets the trunk. In other words, do not make your cut flush with the trunk. This method has proven healthier than the old one.
- 5) Some mature trees are now encountering the branches of other trees in the yards of the older HHR homes. It is best to have an arborist deal with this matter. An arborist will be able to use ladders or cherry picker buckets to shape the trees attractively. It is not a good idea to just hack!

To avoid this problem if your house is new and you're setting out small trees, be sure to check the distance information on the tag that comes with the tree. Or check with the gardening center where you purchase it. Ten feet from trunk to trunk is usually minimal. Again, check also the width expected. When digging allow for this future width.

HHR Golf Committee News

The HHR Golf Committee will have several individuals rotating off at the end of our 2020 season. This is a very active committee and requires committed members who enjoy working together and making a difference for our community. I would like to invite anyone interested to submit their name to the current Committee Chairman, Jim Surber. His email is as follows: jfsurber@charter.net

The committee acts as a liaison between our residents, Board-of-Directors and Course Management and currently meets monthly in our club library. Each position is a two-year appointment and those interested must have a full annual membership with our golf course. Deadline to submit your name is Friday, October 30, 2020.

Responsibilities include:

Attending all meetings

Chairing / co-chairing a special event

Addressing policy and procedures

If you have questions concerning the Golf Committee please give Jim Surber a call; he can be reached at 636-265-0977.

New members will be drawn from those submitted and everyone will be notified of selections by Friday, November 27, 2020.

Sincerely,

Jim
