

Homemade by HHR Residents

We are NOT having the Craft & Vendor Fair this, but there is a still a way for the creative folks of HHR to sell your goods.

Here is the plan:

From 9/21-9/30, residents will be able to pre-order items during office hours. Sellers will deliver purchased items the week of November 9.

Residents wanting to sell their items in the sale, should complete the form below and email it to Maggie (events@heritageofhawkridge.com) or drop off the registration form at the office no later than 9/13.

Maggie will create a flyer with all of the goods for sale. The information will be shared via email, the Putterings & Facebook. To purchase items, residents would bring their order form and a check written to the resident seller to the clubhouse. Checks to the resident would be the only way to purchase items.

Sellers would then be responsible to deliver the items directly to the purchaser.

Your Name: _____

Email: _____

What type of item will you be selling? _____

By registering, you agree to deliver your sales between 11/9 – 11/14.

Maggie will contact you shortly about obtaining pictures of your items or for you to arrange a small display at the clubhouse.
