

Kelly's Corner

The last day to use the swimming pool will be Thurs. Sept. 29th. Before we put the cover on we plan to put new caulk around the coping edge to prevent water entering in cracks over the winter. The top pool step will be repaired on the left side as well. New fabric is being replaced on the pool chairs this fall and next spring to keep those safe and usable. Most of the chair frames are in nice shape. Two Board positions will be up for re-election in November. Nomination forms will be sent out early next month. Please consider running for the Board. We have started to put together the 2023 HOA budget. The financial oversight committee has been a great help in formulating a five year plan for projected projects and improvements in the community. Additional information on what is scheduled for next year will be presented at the annual homeowners meeting in December. I am happy to say progress is coming along nicely on the kitchen, craft room and hall renovations. We will keep everyone posted on a completion date. -Kelly

Dave & Sharon Phillips

"Ball 4, Strike 3." How often did Dave Phillips make such proclamations during his 32-year career as an umpire?

It was a career that Phillips and his wife, Sharon, could never have imagined when they began their married life in 1964, three years after graduating from Jennings High School.

But perhaps it was destiny that began Dave's career. Short on cash as a teenager he cut grass, delivered newspapers, worked in a gas station and played baseball. When umpires were in short supply for little league games and he realized that, at age 14, he could make a whopping \$5 per game he jumped at the opportunity.

Ultimately, he loved it, so after he and Sharon married, Dave went to Umpire School, got a job with the Minor Leagues and seven years later was promoted to the Major Leagues as one of the youngest MLB umpires in history. Dave umpired for 32 years and was selected to umpire several World Series; he wrote a book, "Center Field on Fire" about his many memories but he says the 1982 World Series when the Cardinals played Milwaukee was one of his many highlights. He has a great collection of memorabilia displayed in their beautiful HHR home.

Sharon worked as a secretary before their three children were born, then handled everything on the home front during Dave's long stretches out of town. She reared their three children, managed their home, paid bills and taxes and did everything the two would have done together.

The Phillips three children (Kim, Jill and Randy) loved going to three weeks of spring training, making friends with the children of other baseball umpires. Today their kids have blessed them with 7 grandchildren, one more on the way.

The Phillips moved several times during his career. They previously had lived in Lake St. Louis, both on the small lake and, later, the big one. "So, moving to HHR from Whitmoor Country Club was like coming home," Sharon said. "People here have been friendly and warm. We're really looking forward to meeting more people and welcoming them into our home."

Need a New or Replacement Gate Remote?

Many residents need additional or new remotes programmed to open the front gate. I am always happy to program these for you. Just drop them by the clubhouse office. **PLEASE purchase a LiftMaster Model 371LM.** This will ensure it is compatible with the current gate transmitter. Residents are purchasing other brands and models that are very often not able to be programmed to the HHR gate. Please call me if you need additional help. - Kelly

HHR Guest Policy

Just to clarify, most HHR activities and events are for residents only. On occasion, some events are opened up to friends/family. You will still need to register and pay for them if it's not a free event. Any single resident may always bring a guest. Household living arrangements vary and some residents may have permanent occupants residing with them. These permanent occupants are welcome to attend events, activities and use the amenities.

Care and Concern / Sunshine Committee Needs Your Help!

Through the efforts of the sunshine and casserole sub-committees, CCC provides greeting cards, gifts and/or food to your neighbors who are ill or experience a family emergency such as a death of a resident. We ask your help so that we don't miss someone! If you hear of a neighbor you feel would benefit, please let one of the people listed below know.
