

Kelly's Corner

At the Sept. Board meeting I made the announcement that I will be retiring in late December. My husband is also retiring so we have decided to enjoy this new chapter of our lives at the same time. I have thoroughly enjoyed my time managing your community. I have a lot I want to get done in the next three months; including seeing the completion of the kitchen/card room remodel, ratification of the budget and project list for next year and managing the election of 2 new Board members. I will work diligently with the DNI management team to make my leaving smooth for your association and hope to have ample time to train a new manager. There are so many fun things coming the next three months. Watch your calendars and emails for updates and registrations. This month's newsletter is full of information and important dates. As always, please call or come see me if you need anything. -Kelly

PRESIDENT SPOTLIGHT By: Joan Elliott

Carol Jones

The reason is simple. Carol Jones doesn't like getting water in her eyes and nose. That's why her pool friends still see her, at age 89, skillfully swimming the backstroke. It's the stroke that earned the native St. Louisan many awards, including the National Amateur Athletic Union (AAU) championship award at age 13.

That award of excellence was followed by a lifetime of others, especially those related to travel. She worked for the Frisco Railroad and then American Airlines where she progressed from being a stewardess on two-engine, then four-engine, then coast-to-coast flights. Among her most famous passengers were Elvis Presley, Clark Gable and Nat King Cole.

Looking back over her travel career, she laughs heartily as she recalls her funniest memory -- working on a commuter plane from New York City to Buffalo. With its innumerable landings and take-offs it was dubbed the "Vomit Comet!"

From there Carol moved on to a career with McDonnell Aircraft that became McDonnell-Douglas and eventually Boeing. At one time she was the personal secretary to "Mr. Mac," James McDonnell.

Carol married Walt Jones with whom she had three children. Walt retired at 59 and for 14 years the two worked three acres off Jamestown Road in North County, raising much of their food. Eventually, as his health deteriorated, they moved to an apartment in St. Charles and, ultimately, to HHR. Walt passed away at age 90 and, at that time, their son Dan came to live with and help his mother. One of her daughters, sadly, had already passed away.

Carol's other love was creating with her hands – sewing, knitting and painting in the HHR class. She still occasionally tackles projects with one of her many complicated machines – a six-needle embroidery machine, smocking machine and knitting machine. "I always loved making baptismal dresses and doing custom orders," she said. "But in later years I primarily took care of my husband."

For now, she's content with her life at HHR, especially at the pool. "I'm not able to do too many other things," she said, "but that's my favorite."

WHY THE HECK DO WE ...

-Why do we release tables one at a time to the buffet line at events? The most basic reasons are to allow us to serve the food at the right temperature, allow time for staff to refill & clean the food line safely and prevent residents from standing in line too long. We aren't a typical venue that has lots of staff and servers. So, it takes a little bit more time to make things run smoothly.

So, please be patient. We know that no one likes to wait, but there is a method behind our madness. While Maggie appreciates your bribery to "go next", it just won't work ;)

POOL DECK CLEAN-UP DAY

We can use your help to organize the pool deck for the winter on **Tues. Oct. 11 at 9:00am**. This involves storing umbrellas, and moving and stacking tables, chairs and bases. We still have the tarp covers to cover chairs as best we can from the winter elements. I'd like to identify additional chairs needing new fabric so we can get this ordered and delivered over the winter. Unfortunately, this work is not a part of the pool company contract.

Here's The Scoop
