

Jen's Corner

Spring is right around the corner! Let's hope the mild weather continues and we are late enough into the season we won't have any brutal weather to deal with.

A new pool heater was ordered, and safety upgrades will be addressed in the pool house prior to installation. We do not have a date for installation yet, but we are hopeful it will arrive prior to our May 1 opening date.

I've been in contact with Gateway Fiber, and they assure me they will make repairs when installation is complete.

Greenwood Group recently pruned trees and plantings, (weather permitting) they will begin the season with an application of pre-emergent, fertilizer and herbicide for broadleaf weeds in March. Jen

RESIDENT SPOTLIGHT By: Joan Elliott

Lynn and Patrick Consalus

Want to see a smile break out on Lynn and Patrick Consalus' faces? . . . Just mention the "T" word – Travel!

Currently they're gearing up for a trip to Argentina and Brazil, highlights of which include: visiting Iguassu Falls, a horseshoe-shaped chasm that straddles the border between the two countries; time in Buenos Aires, visits to the 125-foot statue of Christ the Redeemer, Copa Cabana, Ipanema and more.

"We're so excited," said Lynn, as both she and Patrick ticked off even more things on their itinerary . . . a tango lesson, a barbecue at Gaucho Ranch and a Glass Cable Car ride to Sugar Loaf Mountain.

The two have enjoyed many trips since they each retired, some purely for pleasure; others to visit their son, daughter and four grandchildren. "We travel to see them twice a year," said Lynn, noting their daughter's family is in New Hampshire and their son's is in San Francisco. Altogether they say they average six trips a year, with river cruises being their favorites.

This is their reward for many years of dedicated work. Lynn assumed many diverse positions with State Farm Insurance Company – handling and investigating claims, and managing claim teams and attorneys.

Patrick drove an 18-wheeler more than 5 million miles from coast to coast, hauling everything from food to lumber to steel. "I could legally drive 800 miles a day," he said, noting that a typical work day was 14 hours, driving 11 hours with stops to walk and eat. At the end of the day (or whenever sleep was about to overtake him) his "bedroom" was in an upper level of the truck.

But his love of driving didn't quit at retirement. Today he is an Uber driver, taking people (many from HHR) to doctor appointments and other nearby locations. He also will take people to the airport or other greater distances, although that's not with Uber.

Lynn loves her exercise classes and some cards while Patrick favors horseshoes and pinochle.

"We love the lifestyle and the camaraderie at HHR," Lynn said. "It's a wonderful place to live."

GOOD TO KNOW

Clubhouse Rental— Interested in renting the card room for an event? The process starts with filling out [THIS FORM](#) (available on the website). This allows us time to check on availability, conflicts and staffing. We will get back to you within 7 days to let you know if the room is available. We have many requests this time of year, so we appreciate your patience in advance.

Reducing Waste at the Clubhouse —

At the request of several residents we are trying to increase our recycling efforts and reduce the use of Styrofoam at the clubhouse. Here are a couple of ways you can help.

Tumblers—At the end of last year, we gave away HHR Tumblers at a couple of events. The hope was that residents would bring them when they came to the clubhouse. We encourage you to bring your own tumblers/mugs to events when you can.

Recycling—We have a large blue trash can in the Ballroom that you can use to recycle your aluminum cans and plastic bottles. Please pay attention when you are disposing of items at the clubhouse so that we don't contaminate our recycle container.

Thank you to all the residents that are cleaning up after your pets and helping to keep HHR a beautiful place to live.

CITY BEAT,

by Resident & Alderman Jackie Schauer

One of our well know events over at the Meadows, **The Farmers Market**, has agreed to a 10 year extension on their lease. If you have never been, it's a wonderful way to spend a Saturday morning.

Look for a press release coming soon regarding the expansion of the **Lake St Louis Police Dept.** Construction should start within the next few weeks and as always, with construction, things will be a bit "messy" for a while. There will be a temporary entrance off of LSL Blvd. near the corner of the building.

HHR Golf Committee Corner – March 2023
