

Jen's Corner

Ahh Spring! April is the month lawn service will begin; and property fountains, the waterfall and the shuffleboard court will open for the season. As in years past (weather permitting) mowing will occur on Monday. I reached out to Greenwood Group after we learned of Meridian's switch to Monday trash day, but the schedule for the season had already been made.

Please remember to report lawn care concerns to the office as timely as possible. In spring the turf is usually wet and mowing often causes muddy ruts and tracks. Sometimes the ruts are unavoidable because of rain, but please do your part by making sure your irrigation is not running the morning before mowing. Additionally, please check downspouts to ensure they are draining properly, not causing additional wet areas.

Cindy and Ed Aderman

When was the last time someone knocked on your door and asked if you could "come out and play?" That's just one of many fun stories Cindy and Ed Aderman tell about the joys of living in the Myna neighborhood.

"All our homes were built about the same time and many of us are about the same age," said Ed, who some refer to as the "Mayor of Myna." "We have fun together and look out for each other when we're on vacation or need help."

Both Cindy and Ed retired last year from careers they had loved. After their two children were in Junior High, Cindy used her Washington University art degree and became a Special Education teacher, using an art medium to assist students with behavioral challenges as well as those who were gifted.

Ed, with a degree in accounting, worked for a publishing company for 25 years before joining Charter as an IT department project manager.

As each spoke of his/her life's work, the other interjected with such loving comments as "And he is so good at..." or "She's also wonderful as ..." Clearly, each is the other's best friend.

Now that the Adermans are retired, they can continue in earnest their love of travel. They've been to 8 countries and 14 states, hiked through blizzards, visited Rome, Greece and Budapest, just in the last year.

But their greatest accomplishment has been their two children – a musically-gifted daughter who is in the Air Force; and a married son, also in the Air Force, who has blessed them with three grandchildren, whom they recently took to Alaska while their parents took a vacation in Hawaii. "Our children didn't get waylaid by modern culture," Cindy said, "and our grandchildren are well mannered; they're a joy to be around."

Cindy and Ed love to cook together, participate in HHR activities and enjoy time with friends. Cindy hosts Wednesday and Friday craft classes at her home, while Ed makes soap, leads Bible studies and together they do marriage mentoring.

"And neighborhood camaraderie is the best," Ed said. "We have the best neighbors ever."

Here's Some Scoop For You

FRIDAY NIGHT FUN NIGHT

The Friday Night Resident Golf and Potluck Group begins On May 5th.

This is a mixed, men and women, golf group. The golfers are mixed into four-somes for a casual, fun 9 holes of golf. We always play a scramble and sometimes it gets a little crazy! The theme for the entire evening is FUN...

Golf is usually followed by a potluck dinner in the clubhouse.

Your non- playing spouse or significant other is welcome to join us for dinner and fun after golf. Some players follow dinner by playing a silly card game called Pass The Trash. No experience required!

This is a great way to meet new residents and enjoy being with fellow residents. We are scheduled to begin on FRIDAY, May 5 at 4:30pm (tee time). Please arrive at 4:00. Sign up at the Pro Shop anytime that week, with the deadline being Thursday, May 4 at noon.

For any questions, please call Dick Faxon at 956-202-5453.

The pool is scheduled to open on May 1.. We are awaiting delivery of a new pool heater. There is potential for the pool opening to be delayed depending on the delivery date. We will keep you informed by email as we learn more information.

The pool rules are being updated and will be on the website soon.

We will be looking for volunteers to help set up the pool deck for the season. Watch your email for more information.

Landscape Service Opt Out Form

The forms are available on-line and at the clubhouse. Forms are due by April 7.

Flag Detail is looking for more people to place flags at mailboxes 3 times a year. Contact Kathleen Johnson if interested.

CITY BEAT, by Resident & Alderman Jackie Schauer

Lilly's Snow Cones! Lilly's Snow Cones is a seasonal snow cone stand located at 8621 N Highway N (by Overstock Outlet Stock). This item was a unanimous pass for the Board of Alderman. A young, handicapped girl who loves snow cones wants to show to the world she can do anything others can do. Her goal is to grow the business and hire additional people like herself who want to make the world a better place and allowing them to be independent while doing it. Scheduled opening is May 6th.

New **Frontier Bank** will be building along highway N. and Ridgeway Dr. (8429 Highway N).

Founders Park – The Park Department completed improvements to the Founders Park concession stand. The city saved taxpayers quite a bit of money by performing this work in-house.

At the beginning of the year, the Municipal Court moved to O'Fallon.

Meadows Update: The lease is signed for indoor pickleball at the former Bed Bath & Beyond Space. A coworking space at the former print shop location (next to Paradox fitness) has been created.

Negotiations are under way at the old Pasta House location.... please stay tuned.
