Whether you've been to Historic Saint Charles numerous times or have never been, this trip will not disappoint.

We will first do a walking tour with a guide who will point out the architecture and speak of the history of Saint Charles.

"The Greater Saint Charles Convention & Visitors Bureau has a wonderful staff of experienced and knowledgeable tour guides. Working in period attire, these folks will entertain your group with important historical information and a unique glimpse into Saint Charles' early days."

After the hour-long walking tour, we will have lunch across the street from the Visitor's Center at the Lewis and Clark Restaurant.

(in case of bad weather, the AV room is reserved for us where we will view a film and hear from a tour guide)

After lunch, decide with your carpool group how long you'd like to stay to browse the many shops in historic Saint Charles.

Please, note, besides an hour-long walk, you will need to know that the streets and sidewalks are cobblestone and bumpy. Please take this into consideration as to whether you can manage this tour.

Leave HHR: **9:15 am**

Meet tour guide at the Visitor's Center, 230 Main Street, at **10:00 am**

(tour admission is \$3.00)

Lunch at Lewis and Clark across the street: **11:15**

Stroll the streets of historic Saint Charles and then return to HHR.

Please call HHR Clubhouse 636-561-7895 to inform Out & About booking your reservation and if you need carpooling. *Please note if you would be willing to drive a carpool.*
