

Jen's Corner

Wow, what beautiful weather we've seen this spring! Here are a few reminders as you begin summer projects around your home.

-You must obtain architectural approval for any exterior work at your home. The architectural form is available online, and in the office.

—Please remember vendor signs are not permitted in your yard.

-For your safety, please do not walk on the golf course or cart path.

-Thank you for helping to keep the community clean by picking up after your pets.

-Cars are to be parked in drive-ways or inside garages. Please do not park in the street.

-We've fielded a few phone calls about neighbors not stopping at stop signs. HHR is a gated, and private community, but we are still required to obey traffic signs.

Have you logged on to the portal and updated your contact information yet? If you need assistance, please stop by the office.

Thank you for helping keep our community a beautiful, safe place to live and play. Enjoy your summer! - Jen

RESIDENT SPOTLIGHT By: Joan Elliott

Gloria and John Ebert

They've "set foot" in all seven continents, every state in the U.S. and have crossed the Equator four times.

Meet three-year residents Gloria and John Ebert who have also brought their spirit of adventure to HHR. Gloria recently took the reins of "Out and About" while John can be found at line dancing classes, at the pool or in the gym.

Love of learning is at the heart of most of the Ebert's adventures. John has degrees from M.I.T., Stanford and Washington Universities. In 2017, 50 years after his graduation from M.I.T., John went back to receive a "red blazer" and walk in front of the graduating class. And while he has had multiple job offers after earning his degrees, he always chose to remain in the St. Louis area, his hometown.

Gloria, on the other hand, has always been a world traveler, spending 10 years in a previous marriage to someone in the military. Her second of three children was born in Germany. Once "on her own," she held a variety of jobs. It was the one with McDonnell Douglas that brought her to St. Louis where she met John, a co-worker and, after a five-year courtship, they became a couple.

Gloria's life changed dramatically after her brothers' suicides. "It opened my eyes in many ways," she said. "My priorities changed and I stopped taking things for granted. Someone can be 'here today and gone tomorrow.'" As an outlet for her grief, Gloria began making cards and now has a room – her 'happy place' -- totally dedicated to that hobby. She also became a facilitator for "Survivors of Suicide."

Their church, Living Lord Lutheran, is important to the Eberts. Gloria is a "Peace Quilter," helping to make more than a thousand quilts that the church donates. "I don't sew," she said, "so I cut squares and pin pieces together."

The Eberts have several trips planned – a cruise to northern Europe; a visit to Glacier National Park. But they're always happy to return home.

"Living at HHR is great," said Gloria, "many activities, great library, close to church. We love living here."

NEWS

The HHR Board of Directors have adopted a mission statement:

MISSION STATEMENT

The current Board of Directors' Mission is to keep, maintain and enhance (whenever possible) the amenities that are here and that attracted homeowners to this community. To achieve this mission, our goal is to be transparent in our activities, fiscally responsible, and *clearly* understand the need to keep our HOA assessment as low as possible while achieving the goals of the community.

We will accomplish this by doing the following:

- Hold Monthly open Board of Directors Meetings.

- Publish monthly financial statements.

- Listen and address all questions and concerns sent to the HHR Community Manager (Jennifer Morningstar) prior to each Board Meeting.

- Obtain three bids on expenditures over \$3,000. (whenever possible)

- Work with each Committee (Architectural, Landscape, Financial, Golf, and Pool) to assure we maximize each area and that we are responsive to homeowner's requests.

- Work with outside agencies to obtain financial assistance that might be available to help the community. (such as grants)

BOCCE BALL will begin Thursday morning the first of June at 9am. All are welcome to join in the fun.

The game is very easy to learn and it's great to meet new neighbors. The bocce ball courts are located between the club house and the pro shop. Hope to see you there.

A note from the **AMERICAN RED CROSS** about our recent **BLOOD DRIVE:**

We ended up collecting 16 productive units of blood on our goal of 15! These units will be able to help up to 48 patients in need at area hospitals!

Our next blood drive is scheduled for Friday, August 25th from 12n-4p.

Thank you for helping us continue our mission!

GOOD TO KNOW

What's the deal with "OPENING the DOORS" at a certain time for events?

-The reason we wait until a specific time to open the doors is to allow time for set-up and fair access to seating.

-It's clear that some people like to be the first in the door to get a specific seat or to be with a particular group of people. That is fine as long as we all continue to be kind to one another.

-Saving seats is not allowed. Your cooperation with this rule is appreciated.

Please feel free to come see Maggie if you have questions or suggestions to improve this process.

Summer Fitness Classes Beginning

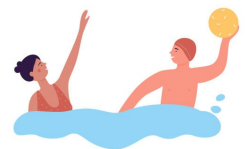

Fitness Class schedule will be changing in May. There will be 2 Aquatic Fitness classes, 8:30am & 9:30am, M/W/F. Both classes will be the same workout. Class space is limited so choose one or the other time and keep to the same schedule. Classes will be held as long as the outside temperature is 65 and higher by 9am. If the 8:30am class is cancelled, then the 9:30am class will also be cancelled. The pool will be closed if there is lightning in the area. There will be a chair fitness class at 10:30 M/W/F.

We recommend wearing lightweight water shoes in the pool for better traction. Please bring water. For the chair fitness class you will need – a set of weights, tubing, small ball, water and a towel to cover your chair. Come check either or both out.

Water Volleyball—Starting June 4 at 4pm

Water season is approaching and we are inviting neighbors to join our group for more fun than you can imagine, plus a little exercise. We play in the shallow water only, using a water volleyball which is lighter and throw it over the net instead of hitting it. We need a minimum of 5 players on each side, but can always use more. Spectators can join in also. Water shoes and sunglasses are helpful.

Contact me if you have any questions. Kathy Loesch—314-922-6556

PS— Sunday afternoon can be our playtime by adding cornhole & shuffleboard for spectators!
