Rules of Play

- This outing is a 7 hole, 4-person team scramble. We are skipping holes 7 and 8 to avoid the water. The tee off areas on each hole will be the red tee box, except on hole 6 we'll tee off from the drop area in front of the water.
 - For your safety, most tripping areas on each hole will be marked with a glow stick. You may use a flashlight as you walk to your ball, but you cannot use a flashlight to assist hitting any shot.
 - Only use your headlights as you travel from tee to green. When you arrive at a tee box or the green, turn off your headlights.
