

RESIDENT SPOTLIGHT By: Joan Elliott

Toni and Bill Lowe

The first thing you notice when you walk into Toni and Bill Lowe's home is the wonderful aroma of food cooking. The next thing is the camaraderie the two share, enjoying every minute of their time together.

When it comes to cooking, Bill says that Toni is the chef and he's the sous-chef as they primarily create plant-based, pescatarian (fish-based) meals. "We consider ourselves "foodies," he said. "We love to shop, cook and make better meals than we could ever eat out."

Toni and Bill were both living in Lake St. Louis when they met, crediting online dating for their auspicious first rendez-vous. "We realized immediately how much we had in common," they said, noting coincidence after coincidence as they got to know each other. "I loved his intelligence and the fact that he likes to cook, walk and travel," said Toni. Bill, in turn, responded, "I have total respect for Toni. We're compatible and, of course, we're in love."

And, although they've been married for six years, Bill and Toni still act like newlyweds, noting their compatibility and enjoyment of similar pleasures. "We take five or six trips a year," Toni said, noting that cruises, hikes and trips to all the national parks and throughout Europe are among them.

Toni was a teacher for 30 years, with focuses on special education, gifted students, kindergarten, first grade and library work. But her face totally "lights up" as she talks about the wonders of kindergarteners. "They say the funniest things," she said, "but can also put you in your place without ever trying."

In total contrast, Bill was an Air Force fighter pilot with a master's degree from the University of Illinois in Aerospace Engineering. He was a test pilot for McDonnell Douglas for 20 years and earned the Test Pilot of the Year award from the Society for Experimental Test Pilots.

Together Bill and Toni have 13 grandchildren, ranging in age from 4 to 26. Toni, with a specialty embroidery machine, loves embroidering designs on aprons and chef hats for the little ones.

They love living at HHR – visiting with friends, golfing, hiking and biking. "This will be our last home," Bill said, "so we want our time here to be as rewarding as possible."

Jen's Corner

The new entry system at the front gate is being installed and should be completed by mid-June. Each household will receive two new remotes that must be programmed. Please stop by the clubhouse on weekdays between 10am and 2pm to have your remote programmed. Additional remotes are available for purchase at \$50 each. Although many cars have remotes built in, they cannot be programmed for the gates. When the system is completely installed, after-hours visitors (including deliveries) will need to call you to gain access to the property. Your 4-digit code and current gate remotes will no longer be operable.

*Your code will still work to access the clubhouse and pool gates. Jen

You don't have to be a genius to have fun at this trivia!

Grab your neighbors and get a table of 8. Or, join a table that needs more players. \$6 per person. Must register at the clubhouse by 7/18.

Bring a snack to share with your table. Set-Ups provided!

July 4th Traffic— The HHR streets are shut down from 10-11am on Thursday, July 4th so we can all SAFELY participate in the parade. Please know that you will not be allowed in or out of the neighborhood during those hours. Plan ahead. Tell your visitors / family / neighbors. Shout it from the roof top! We had issues last year and do not want to repeat that.

Clubhouse Activities

Please check the monthly calendar to see when each activity begins.

We are having issues with groups showing up early for their activities and disrupting the group currently using the room. With the clubhouse getting busier, we are squeezing in lots of activities. So, if your group is scheduled to start at 1pm do not plan to get into the room until that time. Please see Maggie with any questions.

With the nicer weather . . .

- * Slow Down
- * Stop at Stop Signs
- * Watch for Pedestrians
- * Walk on the sidewalks (not the golf course)
- * Pick up after your dog

This month we will be tasting 4 Tennessee whiskeys. The tasting is on Thursday, June 20, at 7PM in the clubhouse ballroom. If you haven't done so already, you can sign up for the club by submitting a check for \$10 per person for initial/annual dues, made payable to HHR Whiskey Club. If you are not sure and would like to get more information before becoming a member, please send an email to the club email - hhrwhiskeyclub@gmail.com. It's going to be a fun and informative group. And where else will you be able to taste 4 or more whiskeys for \$10.

Odds & Ends

Clubhouse Updates: We have a new configuration for the space outside the library. We are calling this the **Meeting Room**. It will allow us to offer another versatile space for cards, meetings and various activities. The **Activity Room** (formerly known as the Craft Room). On our activity calendar we have clarified which group is in each room to make scheduling more clear. Thanks for your help during this transition.

**MEETING
ROOM**

Clubhouse Clean-Up— If your group is using space at the clubhouse please be sure to clean up before you leave. Throw trash away, wipe off the tables if needed and return the furniture to where you found it. Thanks for helping to keep the clubhouse a beautiful space.

**LEAVE IT BETTER
THAN YOU FOUND IT**

Have you ever really looked at how INCREDIBLE our library has become?! It is certainly worth stopping by. We get new books all the time and they are so well arranged. No need to drive all the way to the public library. We have lots to offer here.

During the month of June we are asking library users to sign in. Our goal is track usage of the library and the computers. Thank you for your help.

And a special thank you to Greg and Molly Button who help make our library the BEST!
