Instead of the Talent Show

6:00-9:00 pm

The Country Club Band

Featuring our very own Ginger Gettman on vocals & keyboard. Come enjoy some old country music. Savor songs by Merle Haggard, Patsy Cline, Willie Nelson and more.

Hopefully we will be outside. Location will be determined by the weather and will be announced the day of the party. It's a large group with steel guitar, electric guitar, bass, drums, fiddle and keyboard! So, be warned, it will be loud if we are in the ballroom.

It's FREE – just grab your lawn chairs and come on up.
