3pm doors open for Happy Hour

4-5:30 Josh McVicar Show

Join us for a fun night of comedy & magic.

Josh McVicar is a master hypnotist, and both an up-close and stage magician. Don't expect a tired, old folk's variety show though... McVicar is a comedy showman with contemporary magic skills and fresh hypnosis skits. Few entertainers in the "comedy" genre offer a show that's fun and hilarious, yet non-offensive and respectful, but Josh can. He encourages audience participation and interaction in all of his shows, and years of experience with all types of audiences has prepared him for just about anything.
