Checklist of Required Documents:

- ☐ 1. Attach a description of **building materials, including colors** (please include photos or illustrations as it helps the committee in reaching an approval of the request.)
- ☐ 2. Attach a **drawing (including dimensions) of room additions, decks, patios and/or landscaping as it pertains to the property and the property lines**. For landscaping projects include the names and anticipated heights of the shrubbery and trees to be used.

Note: A **Plot Plan is not required** unless it is requested by the Architectural Review Committee.

Upon signing this application, the Homeowner understands that the Architectural Review Committee functions only to approve the acceptability of the appearance of changes to the exterior of buildings or land. There is no intention, expressed or implied, to approve or disapprove the adequacy of any change, its function, or subcontractor. The maintenance for operation or appearance of any installation is the Homeowner's responsibility. **If the application is approved, it in no way relieves the Homeowner from obtaining all necessary permits that may be required by the City of Lake Saint Louis.**
