

# Shred-It Days

## Environmental Services offers two free Shred-It Days for residents

The events will take place on **Saturday, May 17**, and **Saturday, September 20**, from 8 a.m. until noon at the Environmental Services building at 1550 Progress West Lane.

To participate, place the documents in cardboard bankers' boxes, or cardboard boxes of a similar size, and drive up to the facility and drop them off. Please make sure the boxes are not too heavy to lift or overfilled. The service is free for trash customers for up to five bankers-sized boxes. Additional boxes will be accepted for a cost of \$5 per box. Residents without trash service and non-residents may also drop off paper for shredding at a cost of \$5 per box (cash or check). Please do not bring computer discs or hanging file rods. If you can tear it, then you can shred it with this complimentary service. It is okay for documents to have staples or paper clips.
