JAWS Turns 50!

And he's still got all his teeth.

**You're officially invited to a blood-pumping,
boat-rocking, scream-laughing watch party
celebrating 50 years of
cinematic shark attacks.**

**Come for the movie, stay for the questionable decisions of
1970s beachgoers.**

We'll have:

- Themed snacks & drinks!
- Possibly someone yelling "We're gonna need a bigger *ballroom*!"

 Dress code: Beachwear, nautical nonsense, or whatever floats your boat.
