

The poster features a vibrant tropical theme. At the top, the words "SUMMER" and "CONCERT" are in large, bold, black block letters. The word "MUSIC" is written in a bright blue, bubbly, cursive font, overlapping the other two words. Below the title, there's a central blue circular area representing a pool. Above the pool are a pair of pink heart-shaped sunglasses with black and white striped lenses. To the left of the pool is a purple and yellow striped beach ball. To the right is a yellow sun with a scalloped edge and the word "FREE" in bold black letters. The background is light blue with stylized green and yellow tropical leaves and branches. At the bottom, there are illustrations of a green starfish, a yellow lemon slice, and a slice of watermelon.
